

## WINE PAIRING IN MALAGA

All together with our new distributor in Malaga (Grupo Cándido), we made a wine pairing of our wines Rotllan Torra i Aribau Cuvée.

Our wines were combined, as we can see at the picture below, with a farmyard eggs with

white truffle oil, crunchy crumbs and "caldo de puchero".

In the second picture we have combined our wines with a high quality german fillet with "ajetes" and potatoes cooked with thyme and seasoned with salt in flakes,

a different variety of salt in flakes and pink salt from Himalaya.

In this last picture, we can see the three types of salt that we used to make our dishes more enjoyable.

This wine pairing was a great success.
