

INTERNATIONAL WINE TASTING THE 2011 GUIDE TO THE WINES OF THE WORLD

In December and January we sent you the high scores reported for our wines, collected in the Wine Advocate by Robert Parker and the Guide Vins de Catalunya 2011. Two months later, we send you with pride, the result of extensive work in the cellar, the scores in the International Wine Guide 2011.

We are working to get many more scores and, above all, the most important for the winery Rotllan Torra is that customers enjoy with our wines.

We hope it will be of your interest.
